MATCH CONTROL

The Badminton World Championships are THE highlight of the year 🌍 !

The International Federation, Badminton World Federation (BWF), has entrusted the organisation of the TotalEnergies BWF World Championships 2025 to the French Badminton Federation.

This event brings together the best athletes in explosive singles, doubles and mixed matches. Legends such as LIN Dan and Carolina MARIN have already made their mark on the history of this competition.

From 25 to 31 August 2025, the adidas arena in Paris will play host to this major event.

Why not join the team and experience the event from the inside?

We're waiting for you! 🔍

A strategic role, right next to the courts !

By being stationed at the score table with the officials, **you'll be directly connected to the competition sector and in contact with a multitude of key players.**

This role places you at the heart of the event, where every detail matters, and decisions are made live!

WHAT TO EXPECT ...

In this role, **you'll be responsible for entering information into Tournament Software to create the daily schedule, coordinating the start of the matches to ensure that, on each court, the referees and other key personnel are ready, and giving the go-ahead to the speakers. You'll input and update essential information and handle printing requests for competition managers.**

THE PLUS + TO SUCCEED

For this role, **quick thinking and organization are essential !**

In the heat of the action, **it's crucial to stay calm in front of the audience and cameras. Handling pressure** is the ultimate skill here !

If you're comfortable speaking, that's a big plus, you might even step in as the voice announcing matches if the main speaker is unavailable. **A good level of English and some knowledge of the badminton world** will be major assets.

WE'RE WAITING FOR YOU !

We know, it's a lot to take in at once!

But don't worry: **your mission starts on the first day of the competition, and your schedule will be available** in advance on Qo Ezion so you can review or adjust it with your manager if needed.

We can't wait to welcome you and see you in action!!

So, are you ready to embark on this adventure? 🔍
