GENDER-BASED AND SEXUAL VIOLENCE HELPER

The Badminton World Championships are THE highlight of the year 🎉 !

The International Federation, Badminton World Federation (BWF), has entrusted the organisation of the TotalEnergies BWF World Championships 2025 to the French Badminton Federation.

This event brings together the best athletes in explosive singles, doubles and mixed matches. Legends such as LIN Dan and Carolina MARIN have already made their mark on the history of this competition.

From the 25 to the 31 of August 2025, the adidas arena in Paris will host this major event.

Would you like to join the team and experience the event from the inside?

We're waiting for you! 🔍

Do you want to take action to combat gender-based and sexual violence? Then join our super prevention team for the 2025 World Championships! Your role? **To listen and reassure those affected and to guide them to a safe place.** Don't panic, you'll be supported by a professional advisor and a small, close-knit team of 4 to 6 acolytes, all there to make a real difference. A serious mission, but in a caring and supportive atmosphere. 💜

WHAT TO EXPECT ...

Throughout the week, **you'll be a reference point for providing guidance and support to witnesses or victims of gender-based or sexual violence.** Your role **will be to listen, accompany them to a safe space and, if necessary, alert the organisers to ensure their safety.**

A key mission for the well-being of the public and a great way to get involved in the 2025 World Championships!

TO HELP WITH THE MISSION

If you're motivated by the fight against gender inequality and the prevention of sexist and sexual violence, this is the role for you! ✨

For this mission, you must be of legal age. **A short online training (quick and convenient from your computer) will be necessary to give you the right tools before you embark on this essential mission.** 💻

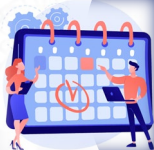

This role complements another that you have chosen. Your role as gender and sexual violence referent will be active from 25 to 31 August, during public opening hours.

Your final schedule will arrive before the competition, with the possibility of adjusting it if necessary.

We know there's a lot of information, but the main thing is that we can't wait to welcome you to the badminton family!

So, are you ready to join the adventure? 🏸
